COMMERCIAL

We offer an assortment of cleaning services for all businesses. From floor care to emptying waste receptacles, spot cleaning, dusting, vacuuming, and more. PCT provides a variety of cleaning options allowing building owners and managers greater control of their building maintenance needs.

We provide janitorial and cleaning services for all types of retail applications and cleaning requirements. Our staff at PCT are fully trained and experienced to handle a wide variety of retail projects. We will move displays and clean those hard to reach areas. Our cleaners are motivated to do the job to your satisfaction.

DEEP

- Break area - clean fronts and top of cabinets and refrigerator. Clean microwave (if applicable). Damp wipe and disinfect inside of cabinets and drawers.

- Bathrooms - disinfect, sanitize and wash commodes, showers and tubs (if applicable), and sinks.

- Throughout the office - damp clean and disinfect baseboards, chair rails, doors/frames, window sills, blinds (PCT does not clean metal blinds). Wipe light fixtures and bulbs for better showing and a clean feel. All surfaces are damp wiped and disinfected to remove dust and eliminate germs.

Floors - vacuum carpets, sweep and wet mop all non-carpeted areas.

Trash - removed and deposited in designated waste receptacle. Garbage cans lined with plastic waste bags.

Mirrors & Picture Frames - cleaned and dusted.

Intake and floor vents - vacuumed.

ROTATION:

This program helps to create the healthiest environment in your office. PCT will deep clean one room per visit (please refer to Deep cleaning section) and perform a general cleaning on the balance of the office after the initial clean.

GENERAL:

All flat surfaces dusted. Bathrooms disinfected. Floors vacuumed and wet mopped. Break room cleaned and disinfected. YES, we can clean the inside of the refrigerator on a weekly basis.

We use GO GREEN products to promote a healthier environment for our clients, our community, and our world.

You can purchase GO GREEN products directly from us by visiting our office or ordering from our website at:

www.myclaingteam.net

All cleaning programs are customized to client needs.
