

Owners: R.J. & Asha Patel

OUR GOAL

“Dust Elimination”

We use methods to remove and eliminate as much of the dust and pollutants as possible during each clean.

PROFESSIONAL AFFILIATIONS

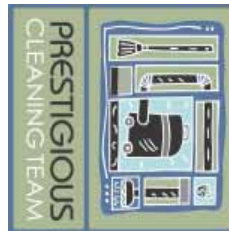

If you are not completely satisfied with your cleaning, simply inform Prestigious Cleaning Team with twenty-four hours of your service and we will be happy to re-clean the area of concern.

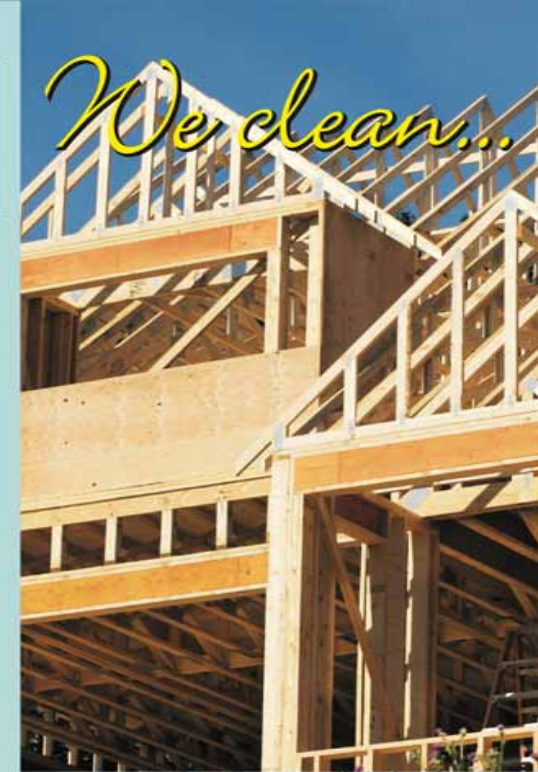

24 HOUR CLEAN GUARANTEE

WE CLEAN . . . YOU ENJOY LIFE!

2655 Cobb Parkway, Suite 108

CONSTRUCTION

Prestigious Cleaning Team (PCT) offers construction-cleaning services for building contractors. Whether your site requires a rough clean, final clean, or a touch-up, PCT takes both great pleasure and pride in the challenge each new project builds.

OUR COMMITMENT

Prestigious Cleaning Team will work with you to schedule and coordinate a timely completion and turnover of each cleaning responsibility.

OUR GUARANTEE

PCT guarantees all cleaning provided:

1. Hot/cold water and electricity are available at site.
2. All sub-contractors have completed their responsibilities allowing PCT to complete ours!

OUR PRICING/BILLING/INSURANCE

PCT brings all the equipment and supplies necessary to perform our responsibilities at a charge of \$32 per man hour. We will set up the billing requirements with you and name you as insured on our Certificate of Insurance, if necessary.

ROUGH:

Remove all surface dust and trash - leaving area clean.

FINAL:

Once all sub-contractors work has been completed, PCT will prepare the building for achieving the Certificate of Occupancy.

TOUCH-UP:

This cleaning will allow the move-in process to begin.

We use **GO GREEN** products to promote a healthier environment for our clients, our community, and our world.

You can purchase **GO GREEN** products directly from us by visiting our office or ordering from our website at:

SERVICES PCT CAN PROVIDE:

- Floors - scrape floors of debris, sweep (with Sweeping Compound), wash floors, wet mop and vacuuming.

- Bathrooms - clean light fixtures of dust, sanitize and disinfect all urinals, commodes, showers and tubs (if applicable).

- Windows - we use a three-step cleaning method for better viewing.

1. Remove excess paint and/or stickers.
2. Remove dust.
3. Clean for a great view!

- Surfaces - all surfaces are vacuumed and then damp wiped with a disinfecting agent. These surfaces include baseboards, chair rails, window sills, counter tops, inside/front/top of drawers and cabinets.

- Vents - PCT will damp clean vents and vacuum all floor vents to remove debris and dust. Vents on ceilings and walls will be cleaned if within reach.

- Appliances - damp cleaned and left shining!

- Light fixtures - light fixtures within a four-step reach will be cleaned and left shining.
